What SCAP 2019 Delegates Said

“

It was well organized and the speakers were great.

--Dyson

”

“

The event was well run and thanks for the invite. Good opportunity to network.

--Air Products

”

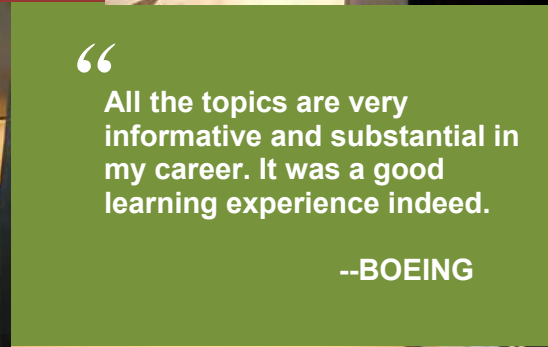

“

Thanks to big contribution by organizer we could really have a fruitful insight from speakers and we could have good opportunity to review our supply chain way of doing.

--Canon Singapore Pte. Ltd.

”

“

All the topics are very informative and substantial in my career. It was a good learning experience indeed.

--BOEING

“

The event was well organized. The Summit allowed sharing of knowledge by the supply chain community on various opportunities and options to overcome challenges.

--Samsung

”

“

Kept relevant and the panelist were good. A lot of takeaways.

--MSD

”
